BY LIGHT RANKED IN WASHINGTON TECHNOLOGY'S TOP 100 COMPANIES

(Arlington, VA, June 17, 2019) By Light is pleased to announce that it has once again been recognized by Washington Technology among the top 100 technology companies; ranking 79th on the list – up from 88th last year.

“We are pleased to again be recognized as one of the top government technology companies in the Washington area,” said Bob Donahue, Founder and Chief Executive Officer. “It is important to note we would never have experienced such success without all of the talented and committed professionals at By Light. We extend our sincere appreciation to all of our employees for this award.”

This list was published on the [Washington Technology Top Lists 100](#) website. Washington Technology ranks the top 100 largest government contractors in the federal market based on their prime contract obligations during fiscal 2018. The rankings are based on analysis of procurement data in the areas of IT, professional services, telecommunications and other high-tech services areas.
